Respected Sir/Madam,

I am writing to express my interest in the Intern position at Oracle, as listed on your official website. With a strong passion for this field and a desire to gain practical experience in a dynamic organization, I believe I am an ideal candidate for this role. Currently pursuing my 3rd year B.tech degree in Computer Science and Engineering at Manipal Institute Of Technology , I believe I have developed a solid foundation in technical as well as other soft skills. I am eager to apply this knowledge in a professional setting and further enhance my abilities. As a member of various clubs and the student council of my college , I have gained valuable experience in Tech domains as well as team-management and decision making, which has equipped me with excellent problem-solving, communication, analytical and leadership skills.

What sets me apart is my ability to adapt quickly to new environments and technologies. I possess a strong attention to detail and am highly organized, allowing me to manage multiple tasks effectively. Additionally, my team-oriented mindset and strong interpersonal skills enable me to collaborate seamlessly with colleagues and contribute to a positive work environment. During my academic journey, I have successfully completed coursework as well as few certifications as mentioned in my resume.

I am confident that my theoretical knowledge, combined with my practical experience, positions me well to make meaningful contributions to Oracle as an Intern.

I am particularly drawn to Oracle's commitment to excellence and dedication to delivering high-quality solutions that align with my own values and career aspirations. I am excited about the opportunity to contribute to Oracle's mission and be a part of your team.

I look forward to the possibility of joining Oracle and contributing to its continued success. Thank you for your time and consideration.

Sincerely,

Rohan J A
